## DESIGN AND CREATIVE DIRECTION

---

I help passionate professionals pull off the creative projects of their dreams - from fantastical events and installations to interactive art - that make them stand out, and their businesses shine

## DESIGN EMPLOYMENT

### SHOP TECHNICIAN

I participate on a small team of professional fabricators who oversee the Industrial Design School model shops. I ensure students use tools correctly and safely, assisting in projects combining wood, metal, plastics, resins, and paint. The shop includes everything from wood (saws, sanders, hand tools) to digital fabrication tools (laser cutters, 3D printers)
